CALIFORNIA LEGISLATURE—2005—06 REGULAR SESSION

ASSEMBLY BILL

No. 1270

Introduced by Assembly Member Gordon

February 22, 2005

An act to add Section 17074.22 to the Education Code, relating to school facilities.

LEGISLATIVE COUNSEL'S DIGEST

AB 1270, as amended, Gordon. School facilities: modernization reimbursement.

Existing law, the Leroy F. Greene School Facilities Act of 1998, requires the State Allocation Board to allocate to applicant school districts, prescribed per-unhoused-pupil state funding for construction and modernization of school facilities, including hardship funding, and supplemental funding for site development and acquisition.

This bill would prohibit the State Allocation Board from providing modernization grant funding for a modernization project if the school district executed into a construction contract for that project prior to August 27, 1998, unless certain conditions apply.
